Tennessee Baptist Mission Board, acting through its Disaster Relief Ministry, is committed to a holistic ministry of helping individuals, families, and the general public in times of natural disaster, crisis or other breaks in normal pattern of living. A portion of this ministry entails direct construction, maintenance and/or repair work on property that is owned by unrelated individuals by volunteers who give of their time, talents and energies without compensation all in the service of our Lord Jesus Christ.

Description of Work/Service to be performed: (fill out a separate release for each project, i.e. Chainsaw, Tarp, Flood Recovery)

Special Instructions:
RELEASE

In consideration of the volunteer services to be rendered on my/our behalf,

I/We, _____ and _____, the undersigned property owners, do hereby (1) accept such volunteer services, (2) acknowledge the effort, expense, time and energy to be provided to me/us, (3) release from liability and (4) agree to hold harmless the North American Mission Board of the Southern Baptist Convention and the Baptist State Conventions, including but not limited to the Tennessee Baptist Mission Board, which participate in the efforts of Southern Baptist Convention Disaster Relief, all cooperating Churches and Associations, together with all of their directors, officers, representatives, agents, employees, volunteers and workers, from any damage or injury that may occur on my/our property, to any of my/our property or to my/our person(s), during or due to the performance of the Work/Services to be performed on my/our behalf. I/We further understand and agree that there is no representation or warranty (stated, implied, verbal or written) associated with any of the Work/Services to be performed on my/our behalf by the volunteers. I/We further acknowledge that the volunteer services are being provided on a first priority basis and that there is no representation that any Work/Service will be provided to me/us and that I/we have been advised that completion of Work/Services is subject to the availability of materials, supplies, infrastructure, volunteers, and acceptable weather for accomplishment of the Work/Services.
